Subject: Sigma Stablecoin transfer update

Hello Melissa,

Hope you had a wonderful weekend.

As you're aware Stefan is currently traveling and has limited service but he wanted to give you a quick update regarding Stablecoin transfer.

QCP has approved our wallet and we are just waiting on compliance to finalize. We have been informed compliance should be completed soon as long as no unforeseen surprises arise. We are aiming to do the Stablecoin transfer this week and then close out the wire to VQR.

I will notify you once we have approval and are ready to initiate the Stablecoin transfer. In the meantime please let me know if you have any questions.

Best,
Fae
